AWARENESS PROGRAMME ON VETIVER CULTIVATION

As instructed by the Council, an awareness programme on Vetiver cultivation has been organised by ICAR-KVK Perambalur at Irur village of Perambalur district on 10.09.18. Dr.V.E.Nethaji Mariappan, Senior Scientist and Head explained about the importance of vetiver cultivation. Mr.J.Kathiravan, SMS (Horticulture) explained about the medicinal properties uses of Vetiver in our day to day life. He also explained about the cultivation practices of Vetiver. 110 farmers from Irur, Alathur, Padalur and Thiruvallakuruchi were attended the programme. All the farmers were complemented with Vetiver saplings by the KVK. Seven final year B.Sc.(Agri.) students being undergone RAWE programme have also participated in the programme. Mrs. P.Vijayalakshmi, SMS(Home Science) welcomed the gathering and Dr.M.Bojiraj, SMS(Animal Science) proposed vote of thanks at the end of the programme.
