

## **Report on significant event conducted – JULY 2021**

### **Webinar & Tree plantation Drive celebrated during the occasion of 93<sup>rd</sup> ICAR foundation Day**

**Off Campus Programme** A separate Tree plantation drive in Ammapalayam village of Perambalur District was also conducted where the District Joint Director of Agriculture Thiru S.Karunanithi presided the programme and planted tree saplings. KVK Senior Scientist & Head Dr. V E Nethaji Mariappan welcomed the chief Guests – the Panchayat President, Member Secretary and Joint Secretary of the Village Panchayat and delivered saplings to farmers emphasizing importance of trees in our environment. Dr. Sangeetha SMS Horticulture delivered a lecture on Agroforestry management. Mr Dominic Manoj SMS Plant Protection discussed about the tree pest management practices and the session concluded with tree planting in the village public premises along with vote of thanks by our SMS Ag. Extension Mr R. Vasanthakumar. 95 farmers participated in the program and a total of 195 tree saplings were distributed to farmers and farm women.

**On Campus Programme** ICAR foundation day emphasizing Atma Nirbhar Krishi was celebrated in our KVK by planting 93 Mango saplings along with a webinar on Self dependency of farmers through Integrated Farm Management & crop management to 25 farmers and 7 Extension personnel conducted by our Agronomist Mrs M.Punithavathi. The webinar programme participants were previously welcomed by the KVK Home Scientist Ms. S.Kokilavani. Our SMS Animal science Dr.P.Vinoth delivered the vote of thanks in the concluding session.
